**GREATER DAYTON CORVETTE CLUB (GDCC)**  
**Minutes – December 21, 2022**

*(These minutes were prepared using input from respective officers and chairpersons.)*

President Freddie Haugh called the meeting to order.

**GUESTS:**

- None.

**ANNOUNCEMENTS:**

Freddie:

- Said that she and Bob wish everyone a Merry Christmas and Happy New Year.
- Thanked Dan Gorby and Donna Tucker for hosting the LaComedia dinner out and show on December 9<sup>th</sup>.
- Stated that there were no nominations in November for officers. There was a motion for current officers to stay in their respective positions for 2023. Those present for the November meeting concurred.

**VICE PRESIDENT:**

Bob Haugh called for the following committee reports:

**SECRETARY'S REPORT:**

No report as Terri Kopa was not in attendance.

**TREASURER'S REPORT:**

Herbie Smith:

- Provided the report.
- Stated that we received \$200.00 from Bud's Chevrolet who sponsor our Club.

**SOCIAL:**

Person needed to replace Donna for 2023.

**MEMBERSHIP:**

Carol Tavener:

- Did not provide an up-to-date membership total as there are still members who have not paid and quite a few that are not returning.
- Sent a get-well card to Doris Murph and a sympathy card to the Troy Corvette Club with the passing of their president.

**PUBLIC RELATIONS:**

Person still required to fill this position.

**EDITOR/WEBMASTER:**

Greg Fagan had nothing to report.

**NATIONAL CORVETTE MUSEUM (NCM) AMBASSADOR:**

Tom Brooks led a discussion to see if members would like to buy Hexagon bricks and have them grouped together inside the museum. The current cost for a Club Hexagon brick is \$200.00 but after January 1, 2023 will increase to \$250.00. The Museum also requests that 7 individual bricks be purchased along with the Club brick in order to be grouped together. As of the typing of these minutes, the Club has five individual orders and needs two more to meet the request.

- Bricks bought years ago by members are outside. New bricks would be placed inside on Corvette Boulevard and protected from harsh weather.
- NCM is raising the price on all bricks January 1, 2023. The current price is \$250.00 but will be raised to \$300.00 for a museum member and \$375.00 for non-members.
- If purchasing a brick, please let Tom know so that Hexagon bricks are grouped together on Corvette Boulevard. He is also suggesting our Club purchase a Hexagon Brick to lay alongside member's bricks.

**PRESIDENT:**

Old Business:

Freddie provided the following:

- Has a form that Donna compiled for dinner out in 2023. The following months are still open: January, February, March, April, October, and November. See Freddie after the meeting if interested in hosting a dinner out for one of these months.
- A social chair and public relations person are still needed for 2023. Donna and Freddie will provide any help with social duties. Freddie also has a list of places that Bob Sledge contacts about our annual car show.
- If anyone wants to plan a social event for 2023 until the position is filled, let Freddie know. She is checking out a Cincinnati dinner train ride. The ride features a four-course dinner in a 1940 dining car and a three-hour train ride. To get ideas for activities, check "Only in Ohio or only in Indiana." They list great day trips.

New Business:

Freddie has contact Giovanni's about holding our annual Corvette only car show in 2023. Once a date is pinned down at an upcoming E-Board meeting, she will contact Cassandra with the date.

Freddie thanked everyone for attending tonight's meeting.

Respectfully submitted,  
Terri Kopa

# Monthly Calendar Events

19 Tina Miller

22 Joe Checkowitz

26 Carmen Ashby

27 Mary Beth Burke

27 Nancy Combs

# Editors Notes

Well, I really love the holidays but, a part of me is glad to have them behind us and pushing forward into a new year. Spring will be here soon and we will be getting our cars out and hitting the open road sooner than you think.

2022 was an exciting year for Corvette with the release of the Z06 and the 2023 70<sup>th</sup> Anniversary Edition. Tours at the Bowling Green production facility also resumed. 2023 looks just as exciting with continued production of the Anniversary edition and the debut of the E-Ray Hybrid Corvette.

January is a slow month and with the cars away for a couple more months the best I can offer you this month is a memes from the wonder of the internet and maybe have a better article for next month. Maybe.....

**No one hates  
winter like  
someone who  
has a Corvette  
in their  
garage.**
