Editors Notes

Not much to talk about this month. Hope everyone is doing well and making plans for a big spring/summer/fall driving season. **Oh, and a reminder, we still need that Social Committee person.**

I mentioned at last month's meeting that I would contact the Ohio Caravan Captain and I have reached out to him to see if he would like to come and speak at one our meetings. I'll update when I hear from him.

He provided this link to an article in Corvette Form about the 2019 event. I had never seen it before but there is actually a video of Debbie and I out on the track at Kentucky Speedway. I was doing my best to keep up with the 2019 ZR1 in front of me, we gave it hell but he was smoking my a\$\$! We hit almost 120 on the backstretch and yes, Debbie was white knuckling it, with a smile! ZR1 guy said he hit 135, we were surprised they let us go that fast. If I recall I was being a little cautious since my Traction Control/ABS light was on. (Sent it to ABS Fixer when we got back)

If any of you have any driving experiences you would like to share, topics you would like see covered, *please* pass them on to me and I will include in this section.

See you next month!
