Old Business:

- Freddie:
 - Thanked all members who participated in the July 4th Centerville American parade. There were 29 Corvettes. A special thanks was made to Barb Durbin and Melissa Farnsley for carrying the Club banner.

Said a change to the date and location is being made to the Club picture. Due to the limited months left this year and the fact that the space with the Wright Flyer would not accommodate 30 or more Vettes, the time was changed from October to spring of 2020. Larry Metcalf said we can use the space we used in 2014 near the Springfield Airport for a Club picture.

This will be discussed at a 2020 E-Board meeting to present to Club members at a future meeting.

- Judy Smith who is on vacation requested that Freddie pass on the following in regards to the car show:
 - One hundred and twenty-one Corvettes were registered..
 - A break-down of the costs to run the car show and proceeds.
 - Thanked everyone who donated door prizes.
 - Thanked the following chairpersons: Dean and Carol Tavener (door prizes), Larry and Terri Kopa (pick-a-prize) Bob and Carol Miller (50/50), Bob Haugh (collecting admission and parking), Bob Sledge (publicity), and Fred Farnsley (Goodyear tires). All chairpersons have agreed to chair for the next car show in 2020.
- Carol Tavener said that Judy deserves a thank you and a pat on the back for all the work she did to ensure we had a great car show. Members applauded Judy.

New Business:

- Freddie provided the following:
 - Indicated that the Kettering Holiday at Home has accepted the Club's application to participate in their September 2 parade. However, they have limited the Club to 15 Corvettes which will be three abreast.
 - Once again, the Club had a nice turn out for the Voss car show on July 12th.
 - She and Bob are planning a caravan to the Ft. Thomas car show on August 10. Their show is to raise money for cancer research. Six Club members won a trophy last year. More information will follow closer to the car show.
 - Received a message on the Club's Facebook page about a magnetic ride control update for C6 2009-1023 Corvettes. She received the information from Jim Mero the development engineer. The cost is \$325.00. He also developed this for the 2014-2018 C7's. If you would like more information, contact Freddie.
- Larry Kopa asked if the Club was going to meet other Corvette Clubs at the National Museum of the Air Force when they pass through the area on their way to NCM's 25th anniversary. Freddie thought it would be a good idea for us to meet the different Club's at the museum. She will pass on more information.
- George Frymyer conducted the 50/50 which was won by Bob Haugh. Bob won \$52.00

George motioned the meeting to adjourn; seconded by Jay Robinson.

Respectfully submitted,
Terri Kopa
